Effective Date June 1st 2010

On April 15th, the Purina Committee decided to create and distribute this document clarifying the new requirements of eligibility for the Purina Awards Program. This information will be distributed to all club secretaries, posted on various websites, and published in Hounds and Hunting. The annual competition runs on a calendar year: January 1-December 31.

THE RULES ARE AS FOLLOWS, WITH NO EXCEPTIONS:

1. Clubs hosting a Purina Points Trial must notify Eddie Wiley at least 45 DAYS IN ADVANCE OF THEIR TRIAL. You may notify him by mail, phone or email in the contact information listed below. Once notified, clubs should expect to receive their coupons and report form within four weeks. If you have NOT received your coupons and report form by that time, please contact Eddie immediately.

2. The event MUST be advertised in a national publication. On your report form you must include the publication, the month the ad appeared, and the page number of the publication.

3. The report form must be sent to Eddie within 14 days after your event; the postmark on the envelope will verify the mailing. Your report can be emailed, however, the deadline still applies and it is important to include all the required information listed on the report form.
